I think no rules for direct recruitment are at present necessary in respect of any of the departments referred to in para 21 of the Govt. Order except Accounts and Police. Before Government proceed to deal with the matter it seems desirable to call for the opinion and proposals of the Comptroller and the Inspector General of Police.

The Comptroller - no. 441 E.S. dated 24th Oct 24

Submits his proposals about allocation and recruitment of non. civil service gazetted officers in his department.

Recruitment

The Comptroller now point out that the permanent scale of Asst Comptrollers was 5 civilian and 4 non-civilian prior to the issue of G.O. dated 22nd Sept 24 and not 5 civilian and 3 non-civilian as mentioned in the above G.O. The eight places are ordered to be held by 3 civilians and 5 non. civilians. The present allocation of 9 officers in the department is as follows: —

If a person otherwise qualified to appear for the Exam. wishes to do so, it is not clear why he should be prevented. That there are no vacancies in the Gazetted ranks is no reason for preventing such a person from qualifying himself further. If the present practice of selecting a qualified and competent man is reduced to a rule and the qualifications prescribed as a pass with Govt of India Dept. Exam. it will be sufficient.

Both results could be taken into consideration by the Committee proposed to limit the selection for examination, preparatory Exams in hand, practical test and viva voce for general fitness and rank in the Exam. Each candidate at the Exam who is found qualified should agree that he will be willing to present himself for selection even if his rank is about lower.

In my Submission Note dated the 6th December 1924 reporting the results of the Civil Service Examination, I mentioned that separate proposals would be submitted for His Highness' approval as regards salary, period of probation, etc., of the Account Probationers to be appointed.

Flag "B

The question was considered in Council on the 23rd December 1924 when the following resolution was recorded:--

"The Account Probationers may be started on a salary of Rs. 150 in the first year and Rs. 200 in the second year. The probationary period may be for two years, during which they should pass all the prescribed examinations. In case of failure to qualify within two years another year's grace may be given. After completing two years' probation and on passing the prescribed examination, they will be confirmed as Assistant Comptrollers on the occurrence of vacancies".

It is proposed to make a slight difference between the Civil Service Probationers and the Account Probationers. - During the first year of probation, the latter will draw only Rs. 150. They will be eligible for confirmation only on occurrence of vacancies (although in view of the large number of anticipated vacancies there will be no difficulty in confirming the Account Probationers who are qualified at the end of the period of probation). In anticipation of His Highness' approval, the terms above proposed have been offered to the three Probationers whose appointments have been just sanctioned by His Highness.

The recommendations of the Council may be graciously approved.

Notifies the appointment of (1) Mr. V.T. Srinivasan (2) Mr. B.V. Narayana Reddy and (3) Mr. G. Subramanyam as Accounts Probationers.

The points for orders in the Comptroller's letter dated 24th Oct. 1924 are noted below:-

(1) Strength of the cadre of Asst. Compts.

The total sanctioned scale is 9 and not 8 (as mentioned in the G.O. of 22nd Sept. 24) of which 5 places are reserved to non-civil Service and 3 to civil service: whether the 6th appointment also may be reserved to non civil service is for orders.

(2) Allocation of Officers

The 8 places of Asst. Compts are ordered to be held by 3 civilians and 5 non civilians. In view of a non-civil service Asst. Comptroller being Asst. Secy to Govt., there can be an extra civil service Asst. comptroller in the Comptroller's Office. Taking the total strength at 9 and also taking the non civil service posts at 6, the cadre admissible at present is 4 civilians and 5 non-civilians. The actual number, however, at present is 5 permanent Asst. Cmrs, 1 Pro Perm. Asst. Cmr and 3 non-civilians. It is stated that the scale now sanctioned will be brought into effect in course of time as vacancies are effected.

(3) Training of Officers

On para 13 of the q.o. dated 21st Sept, provision has been made for the inclusion of one more post in the cadre of Civil Service appointments in the Accounts Department to provide for the training of a Civilian Officer. There are, however, at present 2 civilian officers posted for training in the Comptroller's Office this year. The Comptroller requests that both of them may be allowed to continue, one being attached to the Railway Office, if necessary, later on. It is for orders whether the extra officer may also be allowed and whether he may be treated as coming out of reserve provided in q.o. referred to above.

(4) Promotion from subordinate ranks.

In para 5 of this letter, the Comptroller has suggested certains rules for regulating recommendations for promotion to non Civil Service posts from subordinate ranks. It is also considered desirable that they should have passed the Higher departmental exam. of the cadre of Accts.

NOTE—Contn. Sheet

Serial No.

The Comptroller's letter dated the 24th October 1924 deals with the questions of i the strength of the cadre of Assistant Comptrollers, ii allocation of officers, iii direct recruitment and iv promotion from the subordinate ranks. As regards direct recruitment orders have already been passed and no further action is necessary. As regards promotion from the subordinate ranks, as already stated in my note x of the 22nd Dec. the rules proposed by the Comptroller apppear to be suitable and may be adopted.—Regarding the strength the order of Government dated 22nd September 1924 x took the strength of Assistant Comptrollers as 8. It did not take into account the addition made in the Government Order of the 6th February 1920. The Civil List also did not clearly indicate that such an addition had been made. The strength of Assistant Comptrollers being 9 the first point to be decided is whether this addition is to be to the Civil Service cadre or to the non-Civil Service cadre. The eight posts were allocated as three of Civilians and five of non-Civilians, which seems to me desirable that the addition should be to the Civilian element and that the number might be distributed as 4 posts of Civilians and five posts of non-Civilians. Further the post of Special Account Officer held by Mr.R.Srirangarajan which is really against of the Assistant Comptroller's places might be taken as against one of the non-Civilian posts. We should then require four Civilians according to the cadre and one extra in place of Mr. M.A. Rangachar working in the Secretariat against a Civilian Assistant Secretary's place, so that the total number of Civilians that would be re-

required for the Comptroller's office(exclusive of the men under training) would be five. At present there are six. In another file I have proposed that Mr. B.S. Raghavendra Rao may be taken as Financial Assistant and Auditor for the Education Department. If this is done the number of Civilians will have been brought to the sanctioned number. (The transfer of Mr.T.Hanumantha Rao outside the office and bringing Mr. Ranajodha Singh in his place will not affect the number).

These papers relate to the allocation of Assistant Comptrollers between Civil Service and non-Civil Service cadre.

B 2. In Government Order No. 757-807/C.B.210-23-1 dated 22nd September 1924 issuing revised rules regarding the Mysore Civil Service and creating a non-Civil Service cadre of gazetted appointments for certain departments, the total strength of permanent Assistant Comptrollers is taken as eight and three of the above eight places have been reserved to the Civil Service and the remaining five to the non-Civil Service cadre.

C 3. In his letter dated 24th October 1924, the Comptroller has brought to the notice of Government that the above number does not take into account the post of a permanent non-Civilian Assistant D Comptroller sanctioned in Government Order No. Fl.4693-5/G.F.190-19-2 dated 6th February 1920 for the Railway Audit Office, and that the total strength is therefore nine. The Chief Secretary suggests that it is desirable that the addition should be made to the Civilian element and that the number might be distributed as four posts of Civilians and five posts of non-Civilians. This will involve an addition of one appointment to the Civil Service cadre.

I think it is quite unnecessary to require the Superintendents of the Comptroller's Office to pass the Government of India examinations for promotion as Assistant Comptrollers. These officers will have passed a stiff departmental examination for confirmation as Superintendents and some of them will also have passed the examination for the Bombay Government Diploma in Accountancy. Besides these, they will also have passed two other examinations, viz., Civil Accounts Higher and the Accountants' Examination. There is no object whatever in requiring officers who have passed so many departmental examinations to pass one or two more departmental examinations to become eligible for promotion as Assistant Comptrollers. In the Finance Department of the Government of India, officers promoted from the non-gazetted service to the gazetted service are not required to pass the examinations prescribed for officers who are directly recruited to the gazetted service. I do not see any reason for our following a different practice. It is on the ground of experience and competency that Superintendents who ~~are fairly~~ will generally be advanced in age are selected as Assistant Comptrollers and more examinations ~~in their case~~ cannot make them more fit.

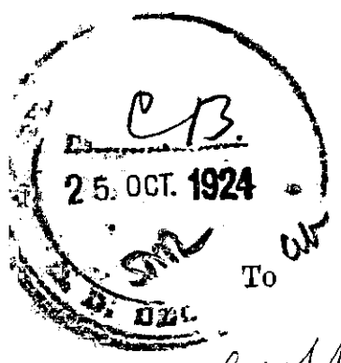
OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Dated, Bangalore, the...24th..Oct..1924

C. B. 210 - 23 - 4

FROM



T. SATYARAJ CHETTY ESQ., B. A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore.

To

K. Matthan Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

SIR,

R I have the honour to refer to Government Order No.757-807 C.B.210-23-1 dated 22nd September 1924 re-organising the Mysore Civil Service and your D.O. No.968 C.B.210-23 dated 21st October 1924 asking me to submit proposals and recommendations in regard to direct recruitment for the Non-Civil Service Gazetted appointments of the Audit Department.

E 2. The scale of Civil and Non-Civil Service Assistant Comptrol-
F lers sanctioned in Government Order No.4613-52/G.F.92-17-3 dated 26th February 1918 and Government Order No.Fl.6491-504 G.F.113-17-2 dated 3rd May 1918 was 5 Civilians and 3 Non-Civilians. In Government Order
X (190) No.Fl.4693-5/G.F.10-19-2 dated 6th February 1920, an additional Non-Civilian Assistant Comptroller was sanctioned for the Railway Audit Office. The total scale thus stood at 5 Civilian and 4 Non-Civilian posts. Later on, one Civil Service Assistant Comptroller's place was converted into that of the Special Account Officer. The scale of Assistant Comptrollers prior to the receipt of the new government Order thus stood as below

	Civi	Non-Civil
Assistant Comptrollers do Railways in 1920 (Govt.Order No. Fl.4693-5/G.F.10-23-2 dated 6-2-20)	5	3 + 1
do converted into Special Account Officer	- 1	
Scale before the new Govt. Order	4	4
Scale sanctioned in Government Order of 22nd September 1924	3	5
In addition to these, there are:-		
(i) one Superintendent's post converted into a Gazetted Officer's in letter No.Fl.754/G.F. 7-23-350 dated 1st August 1924 temporarily and		+ 1 (temp)
(ii) One temporary addition to Civil Service posts during Mr. M.A. Rangachar's absence in the Secretariat	+ 1	- 1
Total	4	5

3. There will thus be a sanctioned scale of 4 Civilian Assistant Comptrollers (including one Temporary post) and 5 Non-Civilians, excluding the Special Account Officer's appointment. The actuals as on 1st November 1924 would, however, stand as below:-

Civil - 1. Mr. M.A. Singrachar
2. " A.N. Raghavachar
3. " M. Viraraj Urs
4. " B.S. Raghavendra Rao
5. " E.V. Ganapathi Iyer
6. " T. Hanumantha Rao

Non-Civil - 1. Mr. K.R. Krishnaswami Iyengar
" M.A. Rangachar O.O.D.
2. Mr. A. Tholasinga Mudaliar
3. " G.S. Natesa Iyer

There would thus be 6 Civil Service and 3 Non-Civil Service Officers about the 1st November 1924, when two of the officers on deputation would have returned to the office, the conversion of one Superintendent's post into that of an Assistant Comptroller would have been given effect to, and one of the Officiating Assistant Comptrollers reverted.

The intention of the Government however appears to be that they should, apparently as a study of the system of financial operations and of audit and accounts in British India would enlarge their outlook and enable them to take a larger view of questions coming up for decision. With a view to prevent very junior or ill-prepared Superintendents going up for the examination and to limit their number to the number of likely vacancies in a year in the Non-Civil Service posts, I would propose that the following working rules be framed for regulating recommendations:-

1. that no one who has not put in 15 years service in the Department and has not been permanent Superintendent for atleast 5 years is allowed to appear for the examination.

(ii) that the applicant is recommended as to character, conduct and capacity by the Gazetted Officer under whom he is immediately serving.

(iii) that he should appear for and pass the Lower Departmental Examination before sitting for the Higher Departmental.

(iv) that no one who has not reached the maximum pay of the Superintendents' grade is confirmed as an Assistant Comptroller, though one may of course act and continue to act.

(v) that the number of applicants allowed to appear in a year does not far exceed the number of likely vacancies in the year succeeding.

& (vi) that when a Superintendent is exempted by Government on the recommendation of the Comptroller, the exemption does not <u>ipso facto</u> carry a claim for selection to the Higher Gazetted appointments in the Department.

6. Regarding training of officers, it has been provided in para 13 of the Government Order that one more post will be included in the cadre of the Civil Service appointments in the Accounts Department to provide for the training of a junior Civilian Officer and this arrangement is intended to avoid the difficulty of replacing the Assistant Commissioners who after 5 years' service in the Account Department, are liable to be transferred to the general line. There are, however, two officers posted for training this year and they may be allowed to continue, one being attached to the Railway Audit Office, if necessary, later on. A similar arrangement becomes necessary also in the case of the Non-Civilian Assistant Comptrollers directly recruited, the number posted for training depending upon the vacancies likely to arise in the course of a year or two. I would in this connection mention that there are likely to be 3 vacancies among Assistant Comptrollers in the near future, by the creation of a separate Audit Officer for the Electric Department, another for the Education Department, and a third for the audit of the accounts of the Revenue Departments of the State. In the course of the next year again the Comptroller is due for retirement and the term of the present Special Account Officer would have expired. The Deputy Comptroller will also be attaining Superannuation about September 1926. There will accordingly be about 6 vacancies within the next two years over and above the three appointments which have to be reserved for members of the Non-Civil Service appointments. It will therefore be necessary to post a large number of officers for training in this Department without at the same time, impairing its efficiency. The

matter is very important and requires serious consideration and early orders of Government.

I have the honor to be,
Sir,
Your most obedient servant,

J. Satyapalachary
Comptroller.
